We don't need to sign or approve anything. We just need to let the Corps know via email if we are ok with the release or if we recommend not releasing the credits (and why). I haven't looked at their letter yet. All you need to do is confirm that they have met all the requirements for this release (performance standards, reporting, endowment funding). If everything looks good, you can just send the Corps an email saying we don't object.

I cant remember the process for these credit release approvals.  
Do I just review it for any inaccuracy and then if Corps is ok too, ask Sam to sign the approval?

Dear IRT,

Please find attached a request for IRT approval of the 3rd credit release from the Petersen Ranch Mitigation Bank Area E. The Bank Sponsor is prepared to fund the next installment of the endowment pending IRT's tentative approval of this credit release request.

If you have any questions, comments or requests please do not hesitate to reach out and contact me.

Warm regards,

Marlene
